

Device Information Worksheet

Before you begin setting up your Harmony remote, we recommend printing and completing this device information worksheet. It's important that this information is correct so that Harmony can properly control your equipment.

	<p>Television</p> <p>Manufacturer: <i>(ex. Panasonic)</i> _____</p> <p>Model Number: <i>(ex. TC-P65GT50)</i> _____</p> <p>Input: <i>(ex. HDMI 1 is connected to my AV receiver)</i> _____</p> <p>Input: <i>(ex. HDMI 2 is not connected to anything)</i> _____</p> <p>Input: <i>(ex. Comp 1 is connected to my Xbox)</i> _____</p> <p>Input: <i>(ex. Comp 2 is not connected to anything)</i> _____</p>
---	--

	<p>AV Receiver</p> <p>Manufacturer: _____</p> <p>Model Number: _____</p> <p>Input: _____</p> <p>Input: _____</p> <p>Input: _____</p> <p>Input: _____</p>
---	---

	<p>Set Top Box, Cable Box, or Satellite Box</p> <p>Manufacturer: _____</p> <p>Model Number: _____</p>
---	--

	<p>DVD or Blu-ray Player</p> <p>Manufacturer: _____</p> <p>Model Number: _____</p>
---	---

	<p>Game Console</p> <p>Manufacturer: _____</p> <p>Model Number: _____</p>
---	--

	<p>Other</p> <p>Manufacturer: _____</p> <p>Model Number: _____</p>
---	---

	<p>Other</p> <p>Manufacturer: _____</p> <p>Model Number: _____</p>
---	---

Tips: Model numbers are typically found on the back of televisions. Other devices may have them either on the back, or in a corner on the front. Be sure to capture the model number and not the serial number. Harmony can not identify your devices using serial numbers.
